

Leather Soft Soap

Key Ingredients:

Tallow oleine, Glycerine, citronella oil.

Contains:

Geraniol, Limonene.

Directions for use:

Apply with a well wrung out sponge and work into leather to lift dirt and grease, condition and soften leather. For a complete finish, allow to dry and polish with a clean, dry, soft cloth.

NAF recommend a small patch test in an unseen area prior to initial use.

Caution: Do not use on unsealed aniline or untreated leather, nubuck or suede.

For external use only. Store in a cool, dry place. Replace lid after use. Keep out of reach of children.
